

SMART RENTAL STORE

Hali Living

Amenities

Hali residents can enjoy unparalleled amenities and services tailored around their lifestyle. These exciting amenities are a key component to Hali living.

Over extensive 2,000 sqm of amenity space has been carefully designed to encompass your needs when it comes to workspace, wellness, entertainment, and community-led living. Access to these services is made even easier through our Hali Resident app. You can manage day to day needs in minutes at a click of a button.

The Wellness Suite

Residents have exclusive access to the Hali Wellness Suite which includes a strength and conditioning area, functional training space, cardio machines, free weights and resistance equipment. This area also boasts a studio, changing facilities with power showers and relaxing saunas.

The Sky Gym

The one-of-a-kind Sky Gym enjoys stunning views of the Dublin Mountains and the sea through dual aspect floor-to-ceiling windows. It also has an adjoining studio and roof terrace and features changing rooms with showers and saunas, offering a premium wellness experience. Residents can enjoy complimentary fitness and yoga classes here four times weekly,

The Club Houses

Celebrating a birthday, anniversary, baby shower, or just a day worth coming together with friends or family? Our club houses feature fully equipped kitchens, preparation areas, ample comfy seating, and high-definition flat screen TVs for you to enjoy televised events or movies.

The Games Room

Nestled between Club Houses 5 & 6 in the Talbot building, this room is the perfect spot to unwind with friends or host an exciting game night. Challenge friends to a fast-paced match on our ping pong table, or team up for a thrilling foosball showdown. Need equipment? Simply sign out from the Management Suite.

The Green Spaces

Our courtyards are perfect for a quick catch-up with neighbours or a moment of peace. For the kids, Hali's dedicated play areas keep them engaged and active. Our courtyards aren't just eye candy, they're thoughtfully designed to combine community, leisure, and nature in a way that raises the bar for residential living at Hali.

The Work Zones

Working from home or hybrid working can be challenging when it comes to sharing the same space. Our Work Zones allow our residents to take a breather from their apartment environment and enter a dedicated light and bright open space featuring spacious work desks, focus booths and meeting rooms. Residents can work productively and within a team environment if other colleagues are residents of the Hali community.

The Focus Rooms

Ideal for residents looking for a focus area to work on projects of their own accord, with a colleague or team.

These rooms feature conference phone facilities, flat screen monitors and comfortable seating.

The Social Spaces

The perfect spaces to meet with friends and family for a chat or to take some time for yourself.

These spaces feature comfy seating and tables and lead off to our ample terrace areas.

The Play Spaces

Our colourful playroom is located within the Club House One space and features a selection of toys and books for little ones to enjoy. The Hali Team organise regular arts and crafts days in the adjoining Club House. Children can also enjoy the playgrounds in each courtyard. Both are great opportunities for making friends in the community.

The Parks

Tully, Beckett, and Ticknick Parks, though not exclusive to Hali, are our sparkling new jewels just around the corner. Over sixty hectares of green paradise, these parks offer a fun-filled playground, connected by an easy-to-navigate network of walkways and bike trails. Tully Park is buzzing with activity trails, play zones, a charming café, and a unique heritage site. Ticknick Park is home to four lush green pitches, including a GAA pitch. Beckett Park offers an all-weather sports pitch, six tennis courts, a boules court, an outdoor gym, and a kids' playground with a café.
