Outdoor Living Starts Here

Life at Fernfield extends far beyond your front door. Surrounded by the natural beauty of the River Barrow, forest parks and rolling countryside, residents can enjoy walking, cycling and canoeing just minutes from home. Whether you're seeking peaceful scenery or active adventure, the outdoors is part of everyday life here.

Walking

From forest loops and mountain routes to peaceful riverside paths along the Barrow, Graiguecullen offers walking trails for all levels. Whether it's a gentle evening stroll or a weekend hike, nature is always close to home at Fernfield.

Cycling

Cycle along the River Barrow, explore countryside routes or use the local E-Bike scheme to get around town. With scenic trails and quiet roads nearby, Fernfield makes it easy to enjoy life on two wheels.

Canoeing

The River Barrow provides the perfect setting for canoeing and kayaking, from relaxed family outings to longer scenic paddles. With local providers nearby, outdoor adventure is just minutes from your door.

Modern Homes Designed for Everyday Living

At Fernfield, every home has been thoughtfully designed to support modern lifestyles, combining contemporary design with practical spaces that work effortlessly for families, professionals and first-time buyers alike. Bright open-plan layouts, painted walls and ceilings throughout, quality internal doors and ironmongery, and modern timber staircases all contribute to homes that feel stylish, welcoming and built to last.

Contemporary kitchens and bathrooms, featuring carefully selected finishes and fittings, bring together comfort, functionality and timeless design in every home.

Designed with everyday living in mind, Fernfield homes also offer practical storage solutions and intelligently planned layouts that maximise both space and natural light.

Site Map

Fernfield features a selection of 3 and 4 bedroom homes, thoughtfully designed to suit a variety of lifestyles - from first-time buyers to growing families and those looking to upsize.

The wider development will also include a crèche and nursing home, helping to support a thriving and evolving community. With a mix of modern homes, essential services and carefully planned surroundings, Fernfield is designed to offer a welcoming neighbourhood with something for everyone.

At Fernfield, quality is built in from the ground up. These homes use advanced construction methods and modern energy systems to deliver exceptional comfort, efficiency and long-term value.

www.bhaconstruction.com

BHA Construction is a leading Irish construction and development company specialising in the delivery of high-quality residential, commercial and mixed-use projects across Ireland and the UK.

With a strong focus on residential housing delivery, BHA has built a reputation for quality, reliability and consistency, delivering homes that support families, strengthen communities and contribute to long-term housing supply. BHA's expertise spans private residential developments, social and affordable housing, interior fit-out and fire remediation works.

BHA's approach is defined by disciplined project management, strong collaboration with design teams and stakeholders, and a commitment to quality, safety and compliance at every stage of delivery. From early planning through to completion and handover, our teams work with care and attention to detail to ensure each development meets the highest standards.

Fernfield reflects BHA's commitment to delivering well-considered, energy-efficient homes that are built to last and designed with future residents in mind.
