JOB OFFER PROJECT MANAGER (M/F)

MG Real Estate is growing and is about to launch a number of exciting projects. We are looking for an experienced Project Manager (m/f) to start asap.

As a project manager you are responsible for the implementation of all facets of project development. You are involved in the design of the building plans and you coordinate with our internal departments to strictly follow up planning, contracts and budget.

Your profile:

- Master's degree in construction engineering
- Experience as a project manager
- Stress resistant and communicative
- Independent worker
- Ability to integrally manage and follow up your project
- Flexible to work abroad (approx. one day a week)

Our offer:

You will play a crucial role in the realization of our innovative and sustainable real estate projects. As a key member of our young and dynamic team, you will be given the opportunity to further develop your proficiency and competences. MG Real Estate is an innovative and growing organization with a positive, mission-driven working environment. Work hard, play hard.

Let's get in touch:

We are looking forward to your application. Send your CV, cover letter and photo to contact@mgrealestate.eu or contact us by phone +32 9 250 95 10.
