

WINDCATCHER: Kidderminster College

Natural Ventilation

Added on 02/08/2012

- **Location:** Kidderminster
- **Architect:** GVA Grimley

1000 mm diameter WINDCATCHER® systems were used to ventilate a series of classrooms on the top floor of this new College. Traditionally it is the classrooms on the top floor that suffer the most from solar gain, so this is where natural ventilation is at its most effective.
