Even in Dubai they have seen the benefit of Monodraught SUNPIPES®, not only to counteract the strong power of the Middle East sun but also to bring in the benefits of filtered natural sunlight to school children without the attendant problems of glare and heat gain. By using SUNPIPES, the window blinds can be kept firmly shut and the electric lighting can be kept off! Monodraught's Middle East office provides a complete supply and fix service using our own Dubai based installation teams to provide a fast and highly successful installation service.
