

“ Life is too short to drink bad wines ”

Our wine philosophy is simple, we want it to be fun, interactive, enjoyable and within reach of everyone.

While compiling the wine list, we looked for the simplest and humblest expression of a grape variety, grown in a suitable climate under the clear guidance of the winemaker, looking after his vines as a father would look after his children.

We believe that all those wines put together are an invitation to travel, a simple journey through the vineyards from around the world.

We are not here to tell you what to drink or how to drink it, we simply want to help you enjoy your time and experience with us at Moor Hall.
