

23/05/2026 FULL DAY TOUR TO LARNACA – PIERIDES MUSEUM & LUNCH

- Approximate Starting time: 10:00hrs / Finishing time: 15:00hrs

The Journey starts with Pierides Museum, our Governor's workplace, which is the oldest private museum in Cyprus and is housed in the ancestral home of the Pierides family, a colonial style building constructed in 1815. The Museum's collection was assembled by the Pierides family and includes some of the most representative cultural artifacts of the island. It traces the economic, social, and cultural development of Cyprus over the course of thousands of years. The objects on display date back to 4000 BCE, up until the 15th century AD, and provide important testimony to the long-standing civilization that flourished in Cyprus. Among the items in the collection are red polished ware from the Early Bronze Age, Roman glass vessels and medieval ceramic plates. After Pierides Museum, we will head to Makenzy Beach where we will have lunch at an upscale restaurant.
