**Ancient Messini Excursion**

- **Duration:** 4.5 hours
- **Capacity:** Minimum: 20 guests / Max: Unlimited

- **Description:** The route begins with an up-hill drive with panoramic views of the Navarino Bay, until our arrival at the site of the Ancient City of Messini. Set in a dramatic surrounding environment the Ancient Messini is one of the most recently uncovered and best preserved archaeological sites in Greece. Our accompanying Guide will be giving all details on the history and the buildings that stood in this Ancient city. Upon completion of our guided visit of the site, we will board our awaiting coach and return to the Hotel.

- **Tour timing:**
  - **08:00** Departure from the Hotel to Ancient Messini.
  - **09:30** Arrival on site and Guided visit of the Ancient city.
  - **11:00** End of the guided tour and departure for the return drive to the Hotel.
  - **12:30** Arrival at the Hotel.

- **Activity includes:**
  - Services of an English speaking licensed guide
  - Private group transfers
  - Entrance fee to the archaeological site
  - 02 small bottles of water per guest

*Please allow for a 10 – 15 minute delayed return at the Hotel in case of any unforeseen incidents*
