Celebrating VC Fest!

On Tuesday 19 June, group support had an open day.

The theme of the day was 'festival' so it was called VC Fest!

Everyone had their own ticket and got a wristband when they arrived.

Lots of people had their face painted. The colours were so bright!

There was singing, dancing and performing on the day!

Everyone joined in to watch and sang along

There was a burger van with tasty burgers, hot dogs and chips.

The weather was sunny, so ost people sat outside to eat.

We even had an ice cream van! everyone loved it.

The day was so much fun and we can't wait for the next open day.

Our next open day will be on Tuesday 11 December. We would love to see you there!

Fishing competition

This year's fishing competition was on Wednesday 11 July.

It was at Fisherwick Lakes in Lichfield.

11 people took part in the competition.

Everyone set up their fishing kit and waited patiently!

It was a very hot day, so lots of people wore their sun hats!

There were lots of fish caught, they were all different sizes!

Each fish was weighed carefully before going back into the water.

There was an award for 'heaviest fish' and 'heaviest net of fish'

Andrew from Byards Keep won both!

Well done Andrew!

Thank you to everyone that came to the fishing competition!

We would love to see you again next year!

Becoming a Quality Checker

On Wednesday 23 May, we welcomed some new team members to our Quality Checker team.

Everyone got involved in the day's tasks.

There were even some tricky memory games!

Abigail, from Sadlers Place, shared her story about becoming a quality checker.

Each person shared what they thought being a quality checker meant to them.

Teams worked together to say what good quality care and support is.

Each team took it in turn to speak, and everyone listened to each other.

We can't wait to catch up with the team once they have settled in!

Well done!
