

## Art & Design Revision

### Practice

Practice is a vital part of improving your drawing and observational skills. Learning the basics and repeating them over and over again is the only way to improve. Although the best way to improve your drawing is to just get started, figuring out what to sketch can be challenging. We've got a list of easy drawing ideas for you to try. They range from everyday objects to your favorite landscape. We recommend trying a variety in order to flex every bit of your drawing muscle.

## Drawing Ideas That Anyone Can Try. EASY

### DRAWING IDEAS INSPIRED BY REAL LIFE:

- The interior of your living room
- A houseplant
- Kitchen utensils, like a whisk or slotted spoon
- Your self-portrait
- A family photograph that you cherish
- Your feet (or someone else's feet)
- Your hands (or someone else's hands)
- A necklace, ring, or another piece of jewelry—try combining them in a still life
- A furry friend (working from a photograph is probably best)
- A fresh bouquet of flowers (try **colored pencils** with this one)
- Trees outside your window
- The exterior of your favorite building
- Your most interesting pair of shoes
- Fresh fruit that's been cut in half (citrus fruit works well)
- House keys attached to a keychain
- A cup of coffee and pastry from a local cafe
- An interesting knick-knack off your shelf
- Your favorite wild animal
- The back of someone's head
- A landscape that you love (such a favorite vacation)
- Make a copy of your favorite painting or statue (bonus points if it's in a museum)
- Recreate scientific renderings of bugs or birds (such as John James Audubon)
- A close-up of your eye
- An object in a glass dish
- What you're wearing today
- Collection of your favorite things
