## Welcome Back

Welcome to the new 2018-2019 academic year.

We hope all students and parents had a pleasant summer break. We would also like to welcome our new Year 7 and Year 12 students, and we look forward to getting to know them during their time at Woodkirk Academy.

We are looking forward to celebrating the progress and achievements of students over the year via this newsletter and events in school.

The Autumn newsletter from the Principal will be distributed shortly.

## Sixth Form Period 6 Timetable

All Sixth Form students are contracted until 4pm each day and additional support classes have been organised by subject teachers in order to help students with their learning. These will run 3pm - 4pm. If a session is available, students should be attending but where there may be a clash, it is perfectly acceptable for students to alternate or rotate sessions. Students are also encouraged to take part in the many extra-curricular activities that are available and again these can be alternated between the subject support sessions where necessary.

Students have been given copies of the timetable today but a copy is available for you to download should you need it, please just click on the link below. If we feel students need specific subject support, the Sixth Form Team will create compulsory timetables. We appreciate your support with this.

We have our first meeting on **Wednesday 26 September 2018** at 6pm in the Sixth Form Centre. If anyone would like to come along and join us you would be more than welcome.
