English is not enough

What other reasons for learning a language are there?

Here are some ideas from university and year 12/13 students:

- It's fun
- you find out about other people and cultures
- knowing a language makes you more employable
- they lead you into other subjects
- you make new friends
- you learn about yourself and your own country
- it gives you more confidence
- great for holidays!
- gives you communication skills...

Employability: give yourself the edge

This is what a top employer said he is looking for in a new employee:

- social skills
- ability to work in a team
- communication skills
- problem-solving skills
- confidence
- experience
- open mindedness
- flexibility

Learning languages gives you these skills

Speaking another language makes you stand out from the crowd

Employability: give yourself the edge

The top employer also said:

- Business is global today
- English is important but not enough
- You need to get noticed overseas
- Foreign languages are vital

He gave some tips on the social side of business:

- Listening is a skill
- Cultural awareness pays off
- Relationships make a difference
- Networking is easier in the local language

Give yourself the edge... they did!
