

Important ParentPay Information

From Monday 4 September 2017, Woodkirk Academy will become a cash free school. At present the revals are unable to accept the new £1 12-edged coins. A decision has been made not to alter the machines and to move to become cashless.

We will no longer be accepting cash on site and we are asking all parents to use our e-payment system to pay for dinner money, trips and all other school activities. This can be done online using a secure website called ParentPay, or through local stores where you see the PayPoint logo. Please note that vending machines will still be cash for the time being, we are looking at cashless options.
