

# How to make your .....

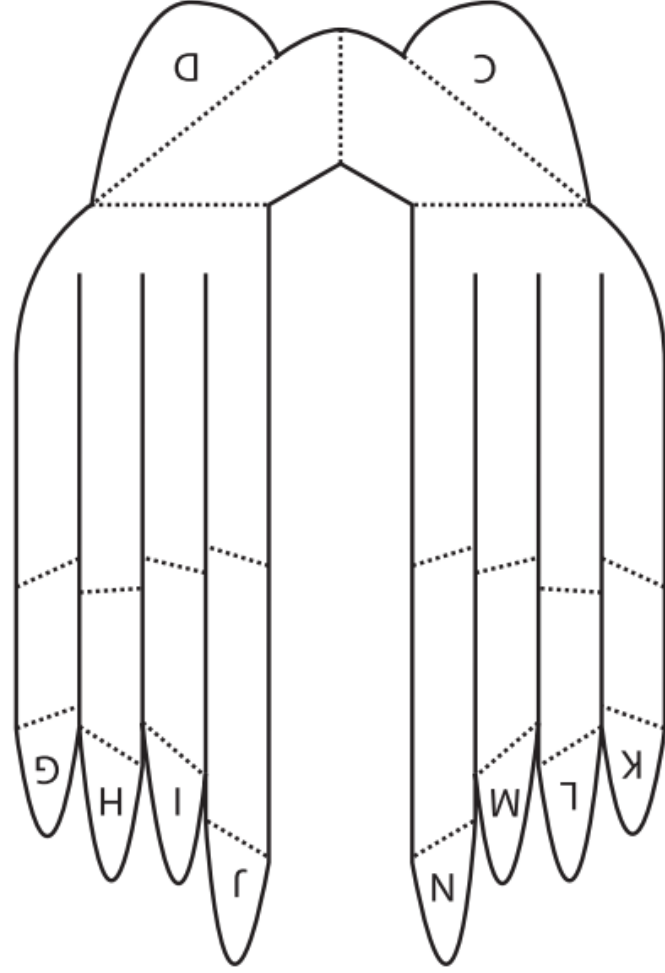

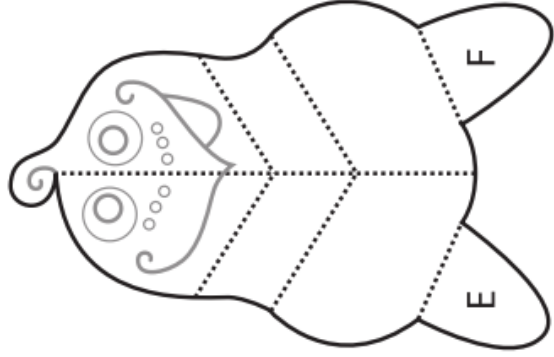

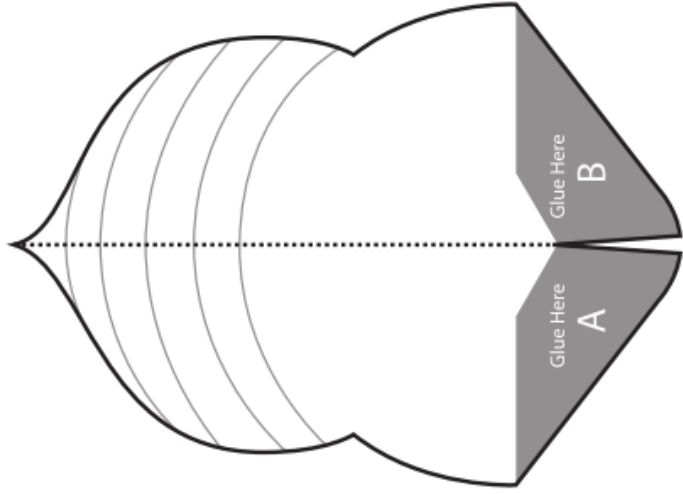

## SPIDER POP-UP

Remember to...

- Cut the solid thick black lines
- Fold the dotted black lines

**Step 1:** Cut out all of your pieces and card along the solid black lines.

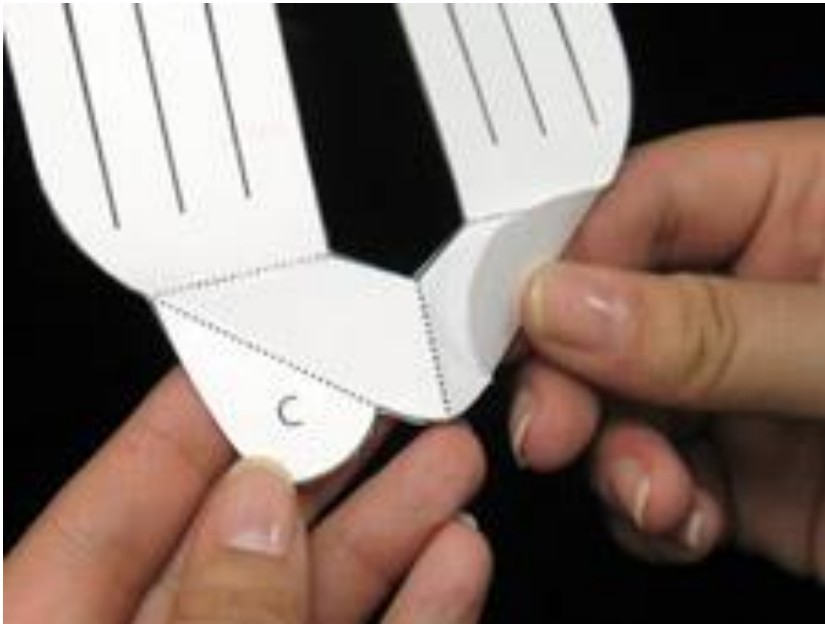

**Step 2:** Take your Spider's leg piece and fold the tabs back and forth.

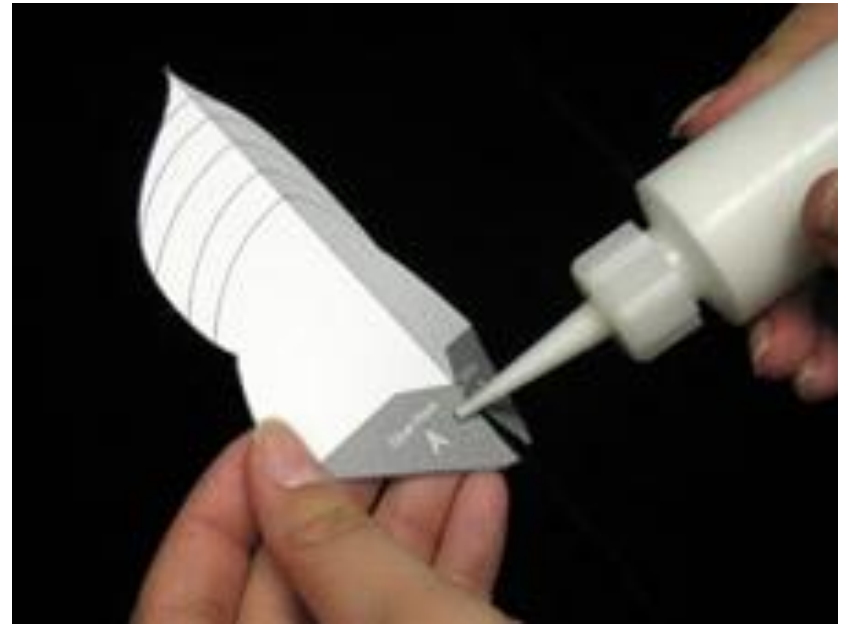

**Step 3:** Fold the leg sections down on both sides and unfold them.

**Step 4:** Fold the leg piece in half, then return it to its original position.

**Step 5:** Fold your Spider's body piece in half, then press it flat.

**Step 6:** Apply a small amount of glue to the area marked "Glue here A".

**Step 7:** Also apply a small amount of glue to the area marked "Glue here B".

**Step 8:** Fold the legs on the leg piece down. Line up the leg piece to the areas on the Spider's body where you've applied glue. Press down firmly and allow the glue to dry.

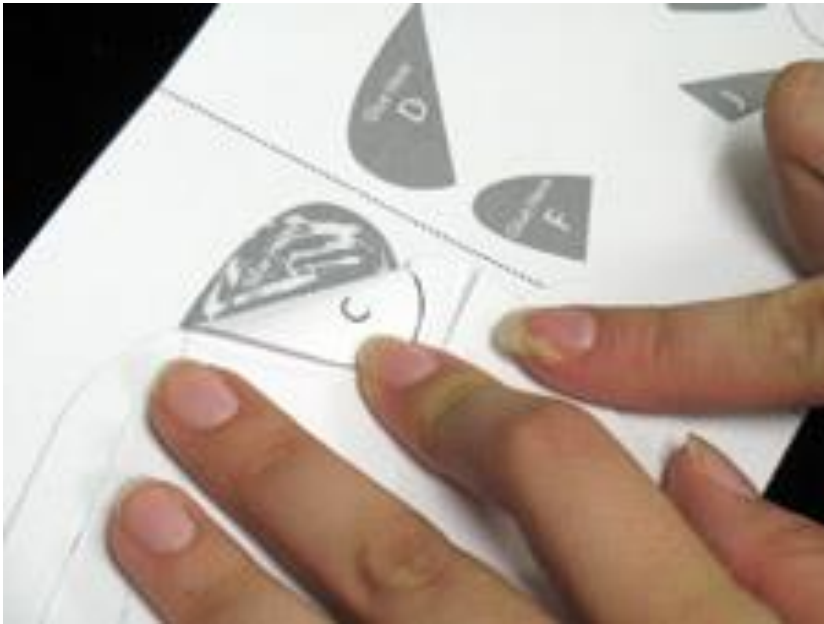

**Step 9:** Fold the Spider's card in half and open it again.

**Step 10:** Apply a small amount of glue to the area on the card marked "Glue here C".

**Step 11:** Place the legs and body piece (now glued together) face down. Fold tab C up towards you and line it up with the area marked "Glue here C" on the card.

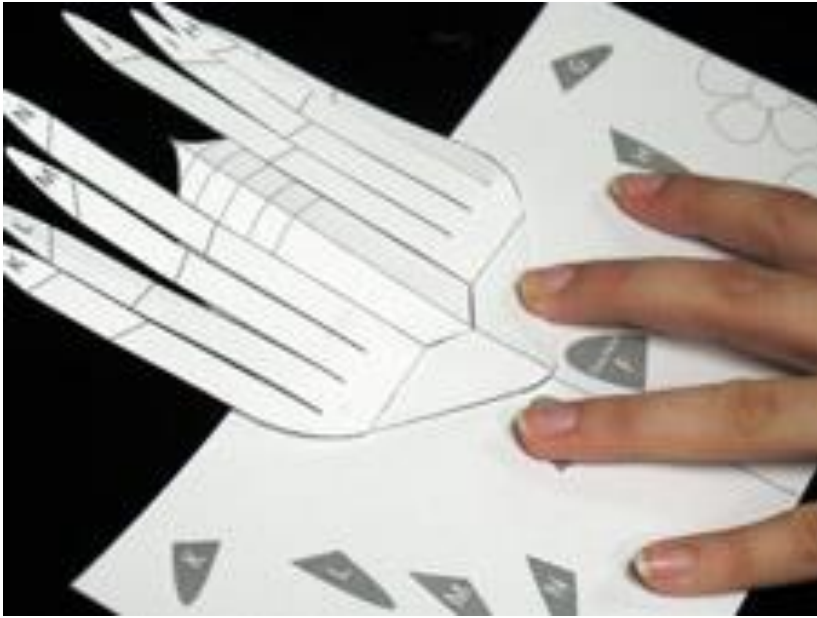

**Step 12:** Press tab C down onto the glue and hold it firmly. Allow the glue to dry.

**Step 13:** Apply a small amount of glue to the area on the card marked "Glue here D".

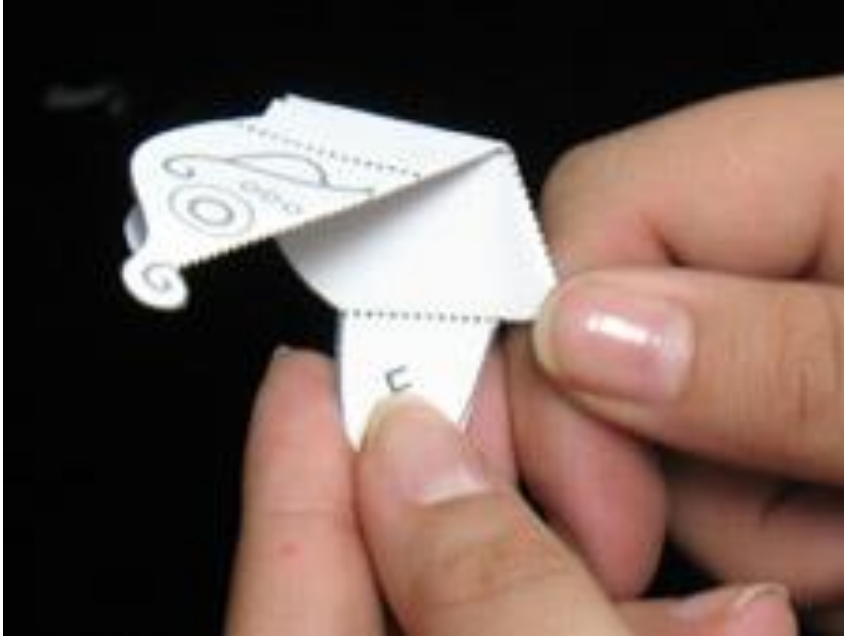

**Step 14:** Fold tab D up towards you. Flip the Spider's body and legs back over, following the fold of tab C. Press tab D to the area marked "Glue here D" on the card firmly. Allow the glue to dry.

**Step 15:** Set the card aside. Pick up the Spider's head piece and fold it in half.

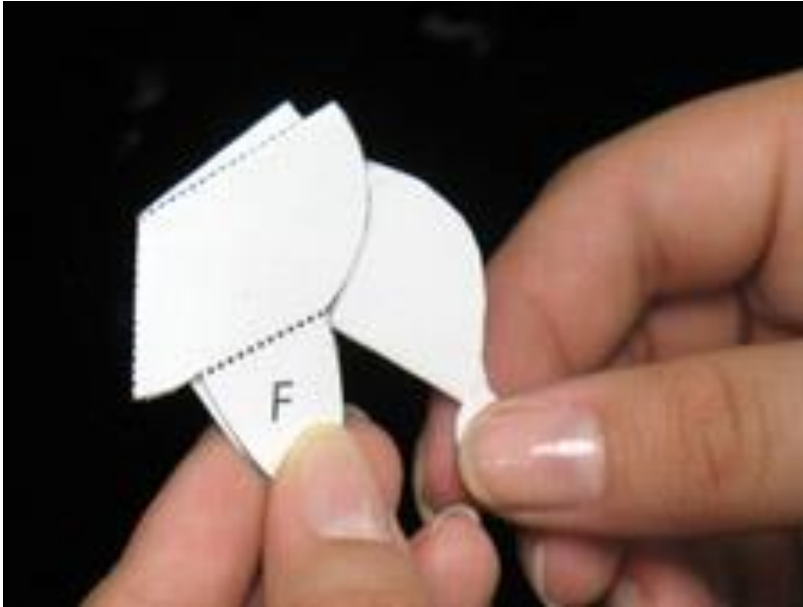

**Step 16:** Fold the head forward and backwards along the lower dotted line, then unfold.

**Step 17:** Fold the head forward and backwards along the upper dotted line, then unfold.

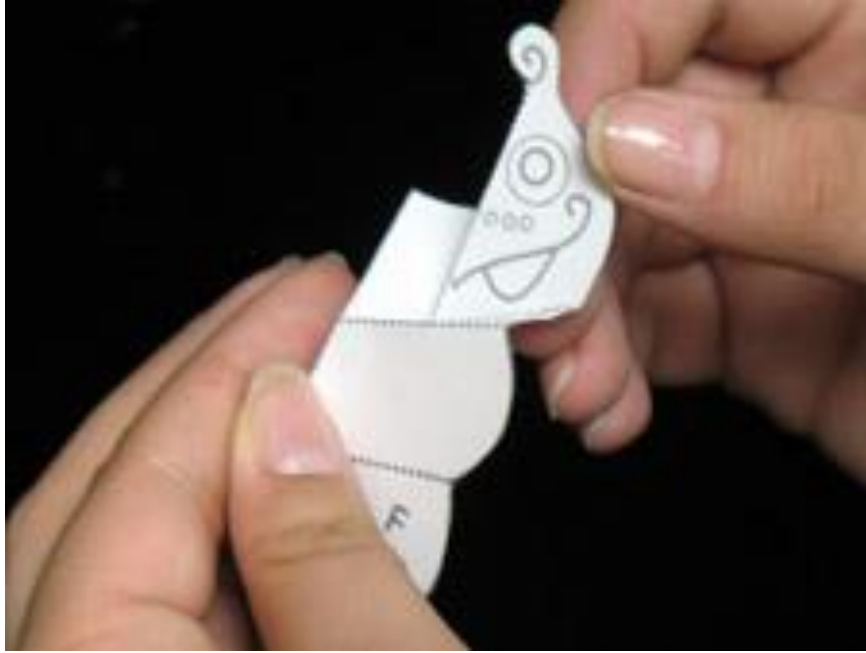

**Step 18:** Open up the head piece, then push the head in along the lower dotted lines. This turns the fold in the center of the head inside out.

**Step 19:** Fold the piece in half all the way. The head is now turned inside-out.

**Step 20:** Unfold the piece slightly. Push the upper part of the head forward along the upper dotted lines. This pushes the face forward, back to normal.

**Step 21:** Fold the head piece in half all the way, creasing the folds well.

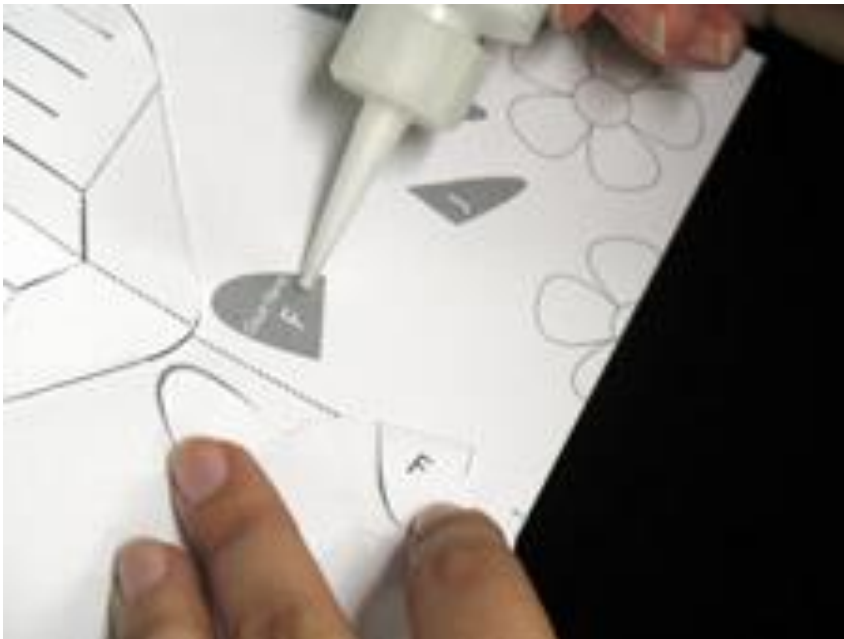

**Step 22:** Unfold the head piece. Fold tabs E and F away from you along the dotted lines.

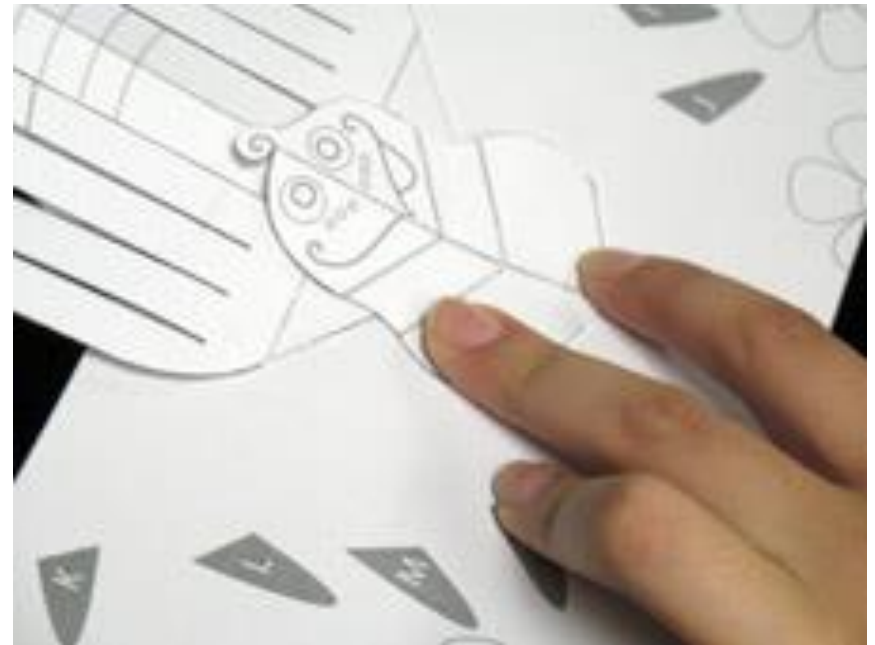

**Step 23:** Apply a small amount of glue to the card in the area marked "Glue Here E".

**Step 24:** Flatten the head piece and place it face down. Fold Tab E up towards you and line it up with the area on the card marked "Glue here E". Press Tab E down onto the glue area firmly. Allow the glue to dry.

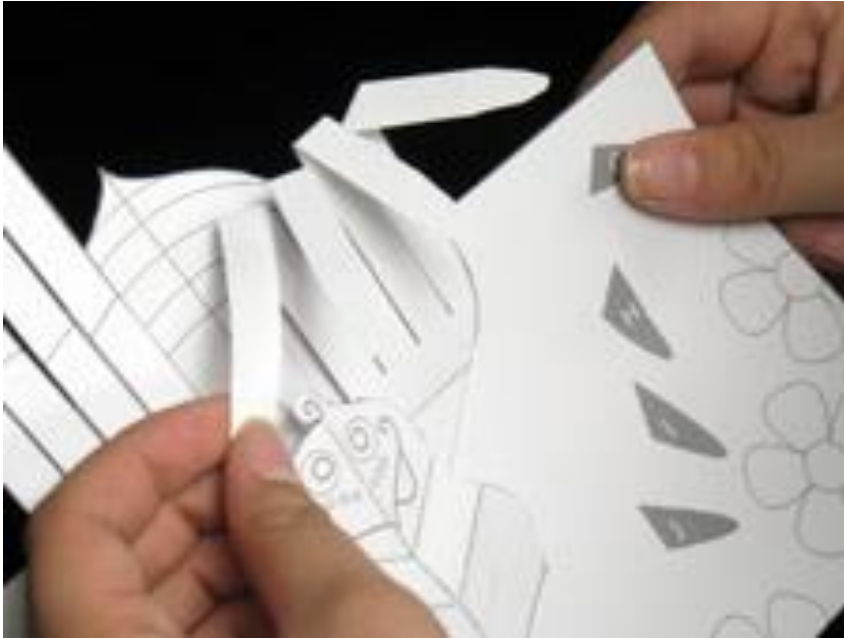

**Step 25:** Apply a small amount of glue to the area on the card marked "Glue here F". Fold tab F up towards you.

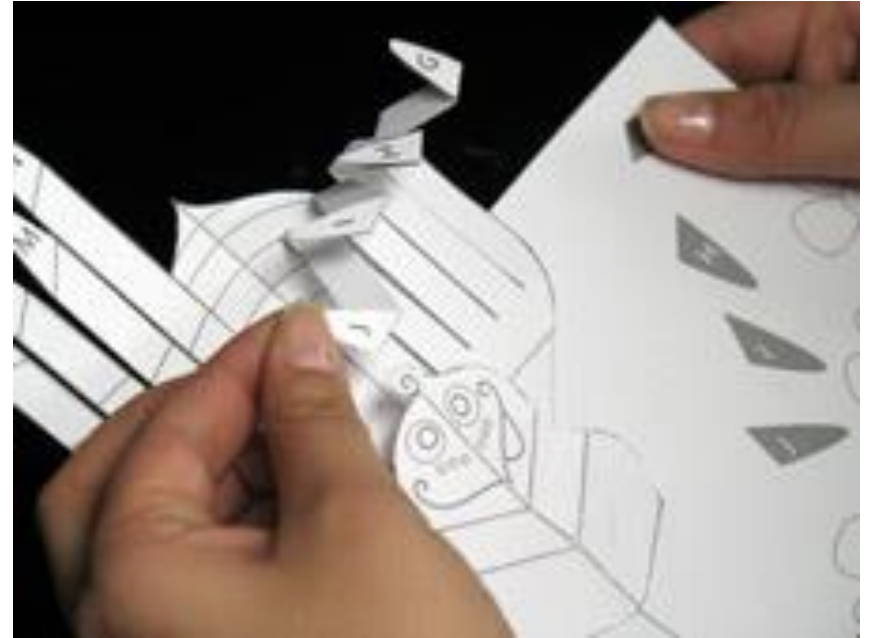

**Step 26:** Flip the head piece over, following the fold of Tab E. Press tab F to the area marked "Glue here F" firmly and allow the glue to dry.

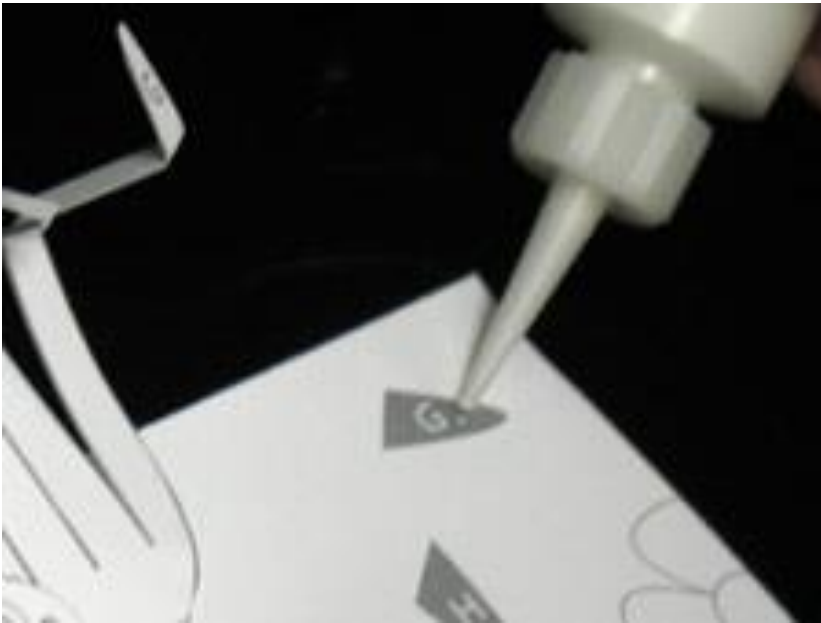

**Step 27:** Fold the legs on the right side of the Spider down along their fold

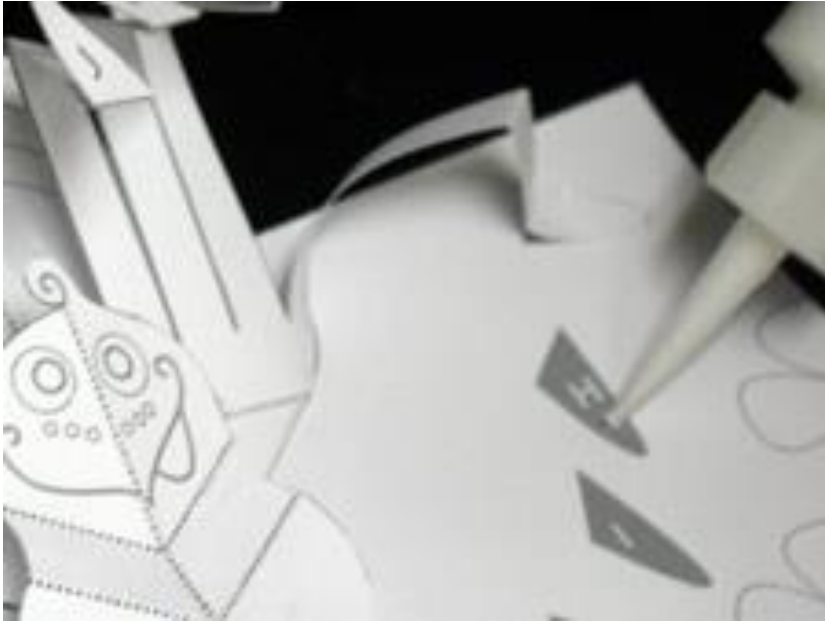

**Step 28:** Fold the tabs of the legs (or the feet) up towards you along their fold lines.

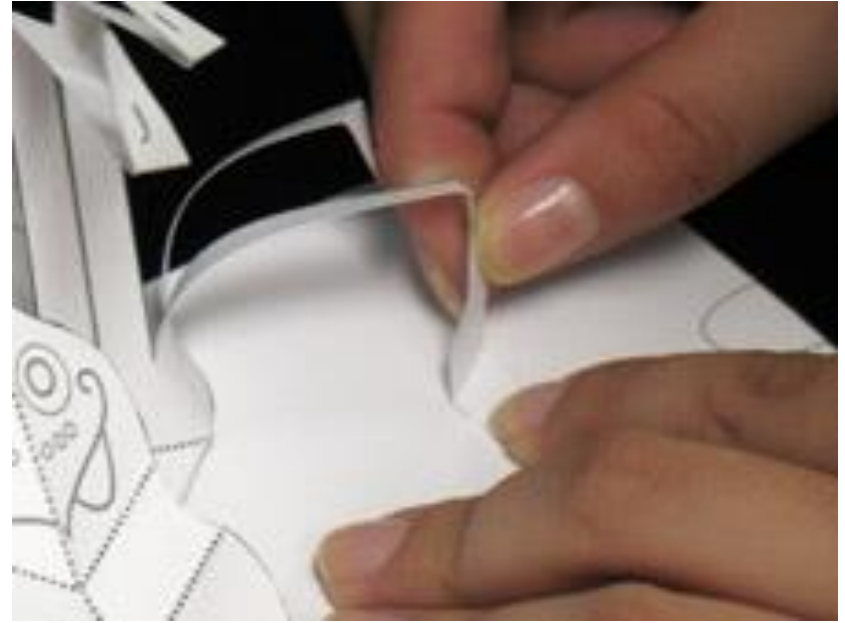

**Step 29:** Apply a small amount of glue to the card in the area marked "Glue Here G".

**Step 30:** Bend the leg with tab G down to line up with the area marked "Glue here G". Press it down firmly and allow the glue to dry. Note that the tabs (or feet) are gluing to the card face down.

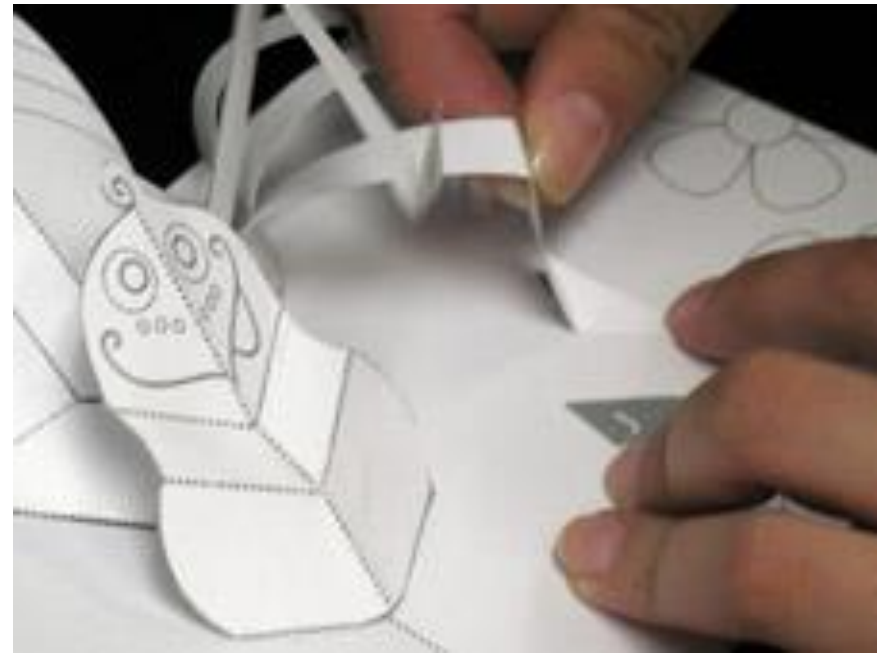

**Step 31:** Apply a small amount of glue to the card in the area marked "Glue Here H".

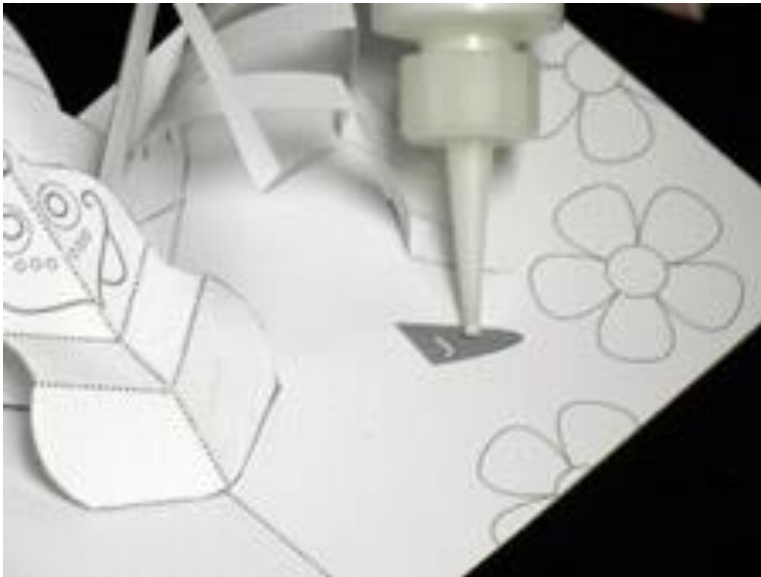

**Step 32:** Bend the leg with tab H down to line up with the area marked "Glue here H ". Press it down firmly and allow the glue to dry.

**Step 33:** Apply a small amount of glue to the card in the area marked "Glue Here I".

**Step 34:** Bend the leg with tab I down to line up with the area marked "Glue here I". Press it down firmly and allow the glue to dry.

**Step 35:** Apply a small amount of glue to the card in the area marked "Glue Here J".

**Step 36:** Bend the leg with tab J down to line up with the area marked "Glue here J". Press it down firmly and allow the glue to dry.

**Step 37:** Repeat Steps 32 through 41 on the other side, with tabs K, L, M and N.

Your spider is completed!
