

**VEHICULAR ACCESS TO WOODKIRK ACADEMY. SEPTEMBER – NOVEMBER 2017**

The only vehicular access route to Woodkirk Academy is via Britannia Road. It is worth noting that this area is heavily congested at peak times with commuter traffic. During August, there were morning traffic queues in excess of twenty minutes along Tingley Common. Please be mindful of other road users if you choose to bring your child to school by car, van...etc. It is important that the additional travel time is taken into consideration; the Academy starts at 8.50am.

There is **NO** vehicular access to Rein Road from Dewsbury Road. There is a one-way system in operation and traffic can only **EXIT** from Rein Road
