When the promotion Code has been entered and the return/enter key pressed the following screen will be displayed.

The screenshot displays the e-safe education website interface. At the top left is the e-safe Systems Ltd logo, and at the top right is a small cartoon character. The main header features the text "the total approach to e-safety". Below this is a navigation bar with links: "Welcome", "Try Protect Home", "Frequently Asked Questions", "Buy Now", and "Call 08443 443422". The main content area has a green background with the text "e-safe education" and "e-safety for the whole family and peace of mind for you". To the right of this text is a photograph of a family (a man, a woman, and two children) sitting on a couch and looking at a laptop. Below the main content area is a grey section titled "Order Summary". Inside this section, it states: "The promotional code XXXXXXXXXX is a custom code. Your licence will be valid for 999 Days". At the bottom of the grey section are two buttons: "Back" and "Continue". The footer of the page contains the copyright notice "© 2014 e-safe education" and a row of links: "About e-safe education", "Contact Us", "Privacy Policy", and "Terms and Conditions".

This shows the licence key and the period for which the licence is active once entered into the application. If the user clicks on the continue button the following screen will be displayed showing the full details of the Order and link to download the Home protect application and also a link to the Facebook application. The browser can be closed at this point.
