### Motion Name: Equality and Diversity Rep on the Sports Executive

#### **Background:**

*The current situation, include any relevant information about the issue.\**

1. The Sport and Health Executive is an elected committee that oversees Bristol SU Sport and Health activity. The committee is made up of 10 elected students, plus the Sport and Student Development Officer and the Sports Administrator. As well as working on individual remits, each committee member works on key events during the year and to inform, inspire and celebrate Sport and Health at Bristol.

2. Every Sports Club is encouraged to have an Equality Officer on their committee.

3. There has been a growing interest and success in lots of Equality and Diversity related initiatives in Sport this year, such as This Girl Can, Take Pride, and Fit & Fabulous. Plus we have secured funding for sport targeted at Postgraduate and International students, who have been shown to be underrepresented in Sports Clubs at Bristol.

#### **Purpose:**

*If the motion is successful, what do you want to achieve? What's your vision for the future?*

1. An Equality and Diversity Rep will sit on the Sports Executive and attend all meetings.

2. The Equality and Diversity Rep will help to coordinate and collaborate with the Equality Officers from all the Sports Clubs and will have a close link to the Sports Participation Coordinator in Bristol SU.

#### **Action:**

*How are we going to make your vision happen?*

1. Bristol SU to run an online by-election in the autumn term, along with the martial arts rep, for an Equality and Diversity Rep to sit on the Sports Executive.
