Candidate for the position of Union Affairs Officer

JAMIE CROSS

Put your cross by Cross!

RE-ELECT JAMIE CROSS #1 FOR UNION AFFAIRS OFFICER!

I'm currently your full-time **Equality, Liberation & Access Officer** at Bristol Students' Union, a **National Union of Students** Delegate and the proud **former president** of the **award winning LGBT+ society**. I'm re-running to be your **Union Affairs Officer!**

My year has been a challenge, and although I have achieved some things I'm really proud of, I have also witnessed both myself and others **struggle to get basic things done**.

The Students' Union has improved since the building reopened. However, I'm still frustrated about the things that **really need to change**. I know what these issues are and how to confront them. Re-elect me and I will get it done.

If elected my priorities for our Union would be:

PUT STUDENTS BACK IN CHARGE!

- Ensure that Students' Union systems work for **students, officers, society presidents, club captains** and **Execs** who want to get things done.
- Continue to work towards a better **democratic system**.
- Ensure the Students' Union is supporting students to **celebrate the festivals** that **matter** most to you.
- Make sure that **all elected officers** are involved in the **big decisions**.

A CAMPAIGNING UNION!

- Campaign for a **second Students' Union building** on campus.
- Lead the fight against **government cuts to education**.
- Continue to work against the **Prevent strategy**. Racial profiling does **not** belong on university campuses!
- Develop a system to make **University Rooms** easier to book out.
- Continue to lobby for **control over more of the space** in the Students' Union Building. Currently student groups only have **access to a third** of the **total space**.

A UNION THAT'S FOR EVERYONE!

- Work on the implementation of **internet banking** for societies and sports clubs.
- Make sure the **Welcome Fair** is accessible to all. There should be no harassment, a **smaller queue** and **Postgraduates** should be able to visit in their lunch break if they want to!
- Push for the better inclusion of, and champion more events led by **international students, time-poor students, part-time students, student carers** and **mature students**.

These will be my priorities if you elect me as your **Union Affairs Officer**. Thanks for your support – please do get in touch and follow the campaign.
