Progress towards my priorities			
<u>Priority #1</u>	<u>So far I have completed:</u>	<u>In the next period I will</u>	<u>Expenditure</u> (please itemise, list each individually)
	<ul style="list-style-type: none"> Engagement Awards Project-The project works on the basis of the employability points system. Each student can collect points from the different activities they have been involved in-course-based societies, Erasmus exchange, attending workshops and guest speakers' talks, volunteering activities, work experience, peer mentoring, completing PDP activities, doing study skills and digital skills courses. As a recognition the students can receive:1)Awards-Bronze(50collectedpnts),Silver(100collectedpoints), Gold(150collected points); 2)A Certificate from the Dean of the School; 3)An Open Badge; The main idea behind the project is enhancing students' employability by encouraging them to develop new and existing skills. 		
<u>Priority #2</u>	<u>So far I have completed:</u>	<u>In the next period I will</u>	<u>Expenditure</u> (please itemise)
	<p>Recruitment events for the course-based societies-Rose organised recruitment events for the course-based societies in order as many students as possible to have the opportunity to develop essential employability skills by their involvement in extra-curriculum activities.</p>		

<p><u>Priority #3</u></p>	<p><u>So far I have completed:</u> PMC Guide-Rose worked in partnership with one of the managers in the Quality and Enhancement Office-Annette Cooke, to produce a simple Personal Mitigating Circumstances Guide. The Guide raises the awareness about the procedure and outlines the circumstances under which the students can use the procedure.</p>	<p><u>In the next period I will</u></p>	<p><u>Expenditure</u> (please itemise)</p>
<p><u>Priority #4</u></p>	<p><u>So far I have completed:</u> European Society- Rose has establishes an European Society to address the negative impact of Brexit on the European& Erasmus students and to improve the engagement of these two groups of students with the Students' Union.</p>	<p><u>In the next period I will</u></p>	<p><u>Expenditure</u> (please itemise)</p>
<p><u>Priority #5</u></p>	<p><u>So far I have completed:</u> Mental Health training for personal tutors-According to the records of the Wellbeing team many students arrive at University with pre-existing mental health condition or develop mental health difficulties once they are here as a result of crisis situations or dealing with transitions. To address this issue Rose has decided to organize a mental health training for the personal tutors in the School in order the initial signal of students' mental health difficulties to be easily recognizable by the personal tutors.</p>	<p><u>In the next period I will</u></p>	<p><u>Expenditure</u> (please itemise)</p>
