Societies ‘Adopt a Charity’ Scheme

RAG stands for ‘Raising and Giving’ - and that’s exactly what we do! We’re here to support student fundraising.

Our ‘Adopt a Charity’ scheme works with your society to help you fundraise for a charity of your choice.

You can also claim back up to 50% for your society too – or you can donate it all to charity – the choice is yours.

Last year students with RAG raised over £130,000 for good causes.

RAG worked with more than 80 student groups and raised money for over 100 charitable organisations.

RAG can support your society to:
• Run your own fundraising event – anything and everything from a charity gig or quiz, to a 24 hour challenge
• Take part in our ‘Spiderwalk’ and ‘Rat Race events as part of ‘Adopt a Charity’
• Set up a street collection in the city centre
• Take part in a ‘Street Team’ (selling glow-sticks and merchandise at Union clubnights) – we provide the merchandise for free plus 5 of you get on the guestlist!
• Run a raffle
• Hold a bake sale

The RAG Committee and staff are here to support your society in all areas of fundraising fun-ness.

We can help you with:
• Budgeting, events management and maximising your fundraised income
• Ticketing
• Marketing
• Banking
• Health and safety advice, insurance and risk assessment
• Charity law and good practice
• Online Fundraising
• Fundraising equipment, resources and materials
• Collection permits
