Nestlé

POLICY RESPONSIBILITY: SU Development Officer
CONTACT: development.officer@sheffield.ac.uk

The Union resolves to have no dealings with, or facilitate the promotion of Nestlé, as a company, including its brands and sub-brands, on the grounds of unfair exploitation of third world countries (based on an independent report by EIRIS which found the company to be “in substantial violation of the International Code of Marketing of Breastmilk Substitutes”).

POLICY HISTORY:

Originally passed by referendum in May 2001 (1762 votes for; 706 against; 48 abstentions) and renewed on a number of occasions until March 2012. It was put to referendum again in March 2012 and passed (4,621 votes for, 965 votes against and 755 abstentions). The above revised policy was agreed by SU Council in December 2014.

This policy was renewed without amendment for 3 years in November 2017.
