

Role Profile

Job title	Vice President: Health and Education & Science and Technology
Salary	£21, 840 (plus London Living Allowance)
Term	One year (can be up to two if re-elected)
Hours	Full time

Outline of the role:

Are you studying a Health & Education or Science & Technology course? If you had the power, what would you change within your programme, school and university?

As Vice President Health & Education and Science & Technology, you would be one of three full-time Vice Presidents at Middlesex Students' Union. You will lead on representing those studying within your schools, working with the School Voice Leaders and Student Voice Leaders to identify big issues and campaign for change.

As a Vice President, you would also oversee MDXSU's work in other areas of student life, so as well as representing Health & Education and Science & Technology students at Middlesex, you could also lead on MDXSU work around the environment, welfare or our amazing student groups!

Any registered Middlesex University London student in the Health & Education School and Science & Technology Faculty can stand for this position - whether you're a final year looking for a graduate job, or taking a year out of your studies to fulfil the role.

Responsibilities:

- Act as the lead MDXSU representative for your students, implementing ideas and projects to improve the experience of students within this area
- Provide effective academic representation
- Lead priority campaigns to promote change for the benefit of students, and support all campaigns organised by the Students' Union
- Attend regular meetings with members of staff across the university - including the senior executive - to talk about issues affecting students, and ensure that students are considered in everything that the university does
- Gather student views, opinions, ideas and feedback
- Work in the direction of the vision, mission, values and strategic priorities of the Students' Union
- Encourage participation in Union activities, championing meetings and campaigns
- Represent individuals, groups and the body of students to the University, National Union of Students (NUS), local community and policy forming bodies, including attending meetings of such organisations
- Champion liberation, equality, diversity and inclusion
- Attend training courses and other opportunities for personal and professional development
- Attend meetings as appropriate to plan activities and review progress
