

Society Membership Terms and Conditions

Membership

Your society membership is for the current academic year, and will run until the end of June. As a member, you are entitled to stand and vote in committee elections for this society.

How we use your personal information

When you join a society, this membership is linked to personal information about you that we receive from the University. Administrators of the society (who are society committee members) are able to see some of your details once you join. This includes name and photo if you have uploaded one to your website profile. They will be able to contact you through the website about society activity, events and other related information. The committee of the society may also use other channels as their main form of communication, such as social media, which may wish to sign up to.

We may contact you with information related to your membership (including committee elections), or opportunities to feed back about being in a society. We may also use your information for statistical analysis.

Your privacy is important to us. For more information please see our [privacy policy](#)
