

Technical Charges for Clubs and Societies

This document should be used for guidelines for technical charges for the use of various Bristol SU technical equipment in the Richmond building. Note: There is a separate document for hiring equipment for use outside of the building.

Some equipment must be hired with a technician.

Most events will require a meeting with the technical and events team.

Please be aware that there may be security or late opening charges for your event and the AR2 bar service has a minimum spend to be opened.

Prices include set up, and demonstration if needed.

Rooms with in built projectors and AV systems are free of charge.

For rooms without built in projectors, one may be available free of charge. Subject to availability.

All prices exclude VAT at 20%
