

WELCOME TO SUMMER TERM IT'S TIME FOR NERVE 87.9FM!

The sun is coming out and Nerve Radio is here, loud on FM and ready to rock your world!

Since September, we have been training up our presenters; hard-working and dedicated students who all share a passion for radio, for the chance to go on FM. It is the opportunity of a life time and the presenter team will be broadcasting to thousands of students and locals across the whole of Bournemouth, Poole and Christchurch.

Make sure you show your support by tuning into Nerve 87.9FM from the 16th – 29th of April, or, if you don't have a tuner, then you can always hear all the action via TuneIn. Drop by and see it all happening on the 4th floor of SUBU and remember to tweet or text to let us know how you're enjoying the broadcasts. It's our time to be heard, so join in and share this special moment on the airwaves.

All the best,
Connor Morrin
Your friendly neighbourhood FM station manager
