Freshers' Fair Stall

Freshers' Fair is the first major student event of the year. The Fairs welcome the new freshers, each one is located in areas with high footfall. And It's even open to all UWTSD students.

Swansea, Carmarthen and Lampeter campuses each have their own Freshers' Fair. These one day events run from 10am - 2pm and offer premium and standard stalls. It's a great opportunity to have an engaging face-to-face conversation with the students and to promote your business.
