Udacha Bangura

Stronger Together

Who am I?

Hi, I'm Udacha, a Business Management student, with the aim to take students' education at MMU to greater heights. My ambition is to improve the opportunities for students to make the most out of their education by improving the amount of support available for placements and increasing current development opportunities.

Experience

Whilst at university, I have been a part of several programmes, such as the Diversity and Inclusion ambassador at the Union. Within these, I have been able to get students' voices heard by running focus groups on student experiences and presenting the data to faculty members to improve this, and have facilitated activities such as the Black History Month, Networking with Friends and Iftar events. I am already experienced in representing students on academic, faculty and also institutional levels, having been selected to be part of a panel to select next year's Business Management tutors.

Pledges

Awareness: Improve political transparency, so students can make more informed decisions about their education, and hold the university accountable for ALL things education, asking questions like, why don't students get the academic excellence bursary on their met card anymore?

Resources: Increase student representation at departmental level by examining ways to diversify the curriculum, helping to tackle attainment gaps, and improve e-Learning, continuing to push for ALL lectures to be uploaded to lecture capture.

Placements: Gain a deeper understanding about placements from student feedback so that we can implement better support to all students involved in this option.

Why vote me?

My ambition is to expand the opportunities for all students to make the most out of their education and increase current development opportunities. I will push for a more inclusive curriculum and I will always be trying to make a positive difference to your education. But only your vote can allow me to do that, so... **VOTE UDACHA FOR EDUCATION. VOTE STRONGER TOGETHER.**
