WHAT DO I STAND FOR?

HOW WILL I CHANGE IT ?

Accountability

- Student involvement in how future sport will be shaped at the university.
- All clubs should have greater support towards sponsorships.
- Adequate training facilities for all clubs.

Inclusivity

- Activity focused campaigns around mental health and inclusivity.
- Continue to grow student lead events.
- Opportunities for all to be active in sport
- Varsity vs UoM

Transparency

- Financial clarity concerning clubs.
- Publicised conversations between members of staff that concern students and clubs.

Accountability

- Work towards strengthening the partnership between the Union and the University to provide confidence in the service students receive.
- Effectively use sports facilities e.g. Brooks building easily accessible but unused by clubs.
- I will ensure that club committees have more responsibilities in how their clubs are run.

Inclusivity

- Introduce activity related aspects to existing inclusivity campaigns.
- Create new and exciting opportunities for students to try new sports in The Union.
- Increased promotion to first years by working with Residential Advisors.
- More recruitment support for clubs through termly lecture talks, active campus recruitment and the use of a streamlined enquiries process for students.

Transparency

- I will work with MMU Sport to produce a detailed financial report on expenditure concerning clubs.
- I will introduce a policy in which club committees are included or made aware of all staff discussions and activity concerning their club.
- Introduce an officer podcast to talk with students and staff about all kinds of topics.
