Stronger Together

Who am I?

Hi, I'm Hamza, and I am running to be your next **Sports Officer**. I'm a Business Management student who will create a welcoming, exciting atmosphere to encourage and engage participation in sports. My reason for running is based primarily in the knowledge that students have not been spoken for; my goal is to ensure students of all abilities are able to interact and feel part of a larger community as together, we are stronger.

Experience

Through my course, my part-time job and roles such as a Diversity and Inclusion Volunteer Ambassador, I have gained extensive knowledge, skills and experience to excel in this role. I believe I have what it takes to become your new sports officer, as I will communicate the ideas below effectively and be a personable point of contact for you.

Pledges

Welfare: Raise awareness of the benefits that sports has on health and wellbeing, working alongside the wellbeing officer in ensuring current athletes experiencing any difficulties (e.g. mental health or stress-related) are looked after. Furthermore, I wish to create a scheme encompassing all sport-related welfare services, to help students to improve their own health and wellbeing.

Diversity and Equality in Sport: Ensure there is both equality and diversity in sports across the board. As one of the leading sports institutions in the UK, we can achieve even more by implementing gender equality and ethnic minorities in sport. I will also focus on making the sport facilities more accessible for people with disabilities and ensure that students of all different backgrounds are provided with the top facilities to practice sport with ease and comfort.

Facilities: Cheaper monthly payment options for gym memberships at Sugden and Platt Lane Sports Complex, subsidised shuttle bus service so facilities can be easily accessed and utilised, and a female-only section in the gym which can be accessed at any time of the day.

Why vote me?

Vote for me and I will assure you that the Union will represent and support you during your time at MMU, whether you're an undergraduate or postgraduate. I know MMU Sport isn't perfect, but I can make it the best from what I pledge to do. I hope that my dedication, passion and drive will make me your ideal Sports Officer to achieve so much more in sporting activities. I will work for you and with you, keeping your interests in mind.
