

DALE ELDER

PRESIDENT – TEAM ‘BEDS’

Hello! My name is **Dale Elder** and I am running for President with the slate ‘BEDS’. If elected I want to ensure that I can offer a real and open-minded approach to this role. I am a 4th year Marketing Management student at MMU, with spending one of my years in France on the overseas route. Working at The Union since I started my degree across all food & beverage departments, I consider myself to have a heavy involvement within The Union.

Having spent last summer volunteering in Ghana, my eyes have been opened to the importance of sticking by one another and feeling supported in every aspect of university and in life, regardless of the type of student you are. Which has helped me focus my attention on what I believe matters.

If elected as the next President I ensure to tackle and focus my efforts on these aims

- To increase the ease of job application and opportunities especially for final year students.
- **Advocate and represent the unrepresented and minority students**
- Provide more guidance on landlord accountability. Where to live, contracts, and what needs to be done deposits etc. The last thing students need to worry about is an unfair landlord.
- **I will promote the importance of volunteering and work placements.**
- To encourage students to join clubs and societies
- **Generate more encouragement with the overseas and placements route**
- Summer facilities for student to help with employability skills and experience.
- **Reinforce a positive interaction between students and the rest of Manchester.**
