

Green Impact Students' Unions 2017-18

Case study: Royal Veterinary College

Award: Good

Years participating: 1st Year

Achievements:
During RVCs first year in Green Impact student Environment Officers ran projects including a campaign to reduce single-use cups, a car share trial and installed veg and herb planters.

"Seeing student led action implemented so thoroughly and passionately is an exciting example of how students and unions make a huge positive difference in both the educational sector and the world."

Green Impact Students' Unions 2017-18

Case study: Highlands and Islands

Award: Good

Years participating: 1st Year

Achievements:
In the first year of Green Impact local officers were incredibly proactive, initiating a range of campaigns and actions in collaboration with students, staff and the local communities.

Selection of actions in year 1

- * Reusable cup & bottle campaign
- * Lobbying for free-serve chilled drinks
- * Wild flower & grass areas
- * Food growing sites and cooking workshops
- * Swap shops

"For a small union and staff team it's amazing to see what has been achieved in a year."
