The Oil Factor

D83 presents Rapeseed Oil, Refined. We are pleased to offer you a high grade refined Rapeseed Oil from this oil enriched seed. This oil has successfully made a transition from the food/nutritional industry to that of the cosmetic and this is for good reason. The oil is rich in essential fatty acids & antioxidants such as tocopherols (vitamin E) which always naturally help in maintaining the stability of the oil. The refined version offers you the benefits of Rapeseed Oil but without the aroma. There are no limits as to what you can use this oil in, body, face/feet, there is not an area of the body this ingredient will not suit.

Functionality

Rich In Vitamin E (natural tocopherols) Highly stable oil able to withstand high temperatures & odourless so you can blend with any other oils. 

Highly versatile oil that can be used in a wide range of products. 

A very cost-effective base/cARRIER oil.

REACH Status

D83 can confirm that Rapeseed Oil, Refined is is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, R9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of greater than 0.1% in our product.

Food Status

D83 can confirm that Rapeseed Oil, Refined is suitable for food application, only when the appropriate quantity/dilution is used. This material complies with European Food Regulations (i.e. 1881/2006). Please note, if you intend on using this product as a food ingredient we insist you email our Technical Team before doing so for our opinion on the dilution applied to your finished product.

Cosmetic Status

D83 can confirm that Rapeseed Oil, Refined is suitable for cosmetic application. It is not included in the list of substances prohibited in cosmetic products. Neither does it contain parabens, restricted preservatives, colourants or UV filters (Annex III - VI of EU Regulation 1223/2009).

Kosher Status

D83 can confirm that Rapeseed Oil, Refined is not kosher certified.

Hala Status

D83 can confirm that Rapeseed Oil, Refined is not Halal certified.

Calif Proposition 65

D83 can confirm to their best of their knowledge that Rapeseed Oil, Refined does not contain any carcinogens or reproductive toxins listed under Proposition 65 State Drinking Water & Toxic Enforcement Act.
