Subject: RE: As you prepare for your journey to Florida...

Thanks Cami,

Sometimes being trapped in a car with dignitaries is a great time to connect, and I'm particularly excited by this opportunity.

That said, I'm planning on being available to move people on Sunday as you arrive. My phone number is 352-283-0799. Call when you land, I'm less than 20 min from the airport. I can be at the curb a few minutes after you pick up your bag.

I will be delighted to move you from the airport to the hotel. We can't predict weather and other issues, but I hope to be your first call upon arrival. Between me and the lovely Roxanne Porozinski you'll get some red carpet treatment upon arrival.

If we can't connect, take a cab. That's fun too.

Best wishes for on-time travels and see you soon,

Kevin

Delegates, Faculty and Guests:

In only a few more days we will be meeting in in Gainesville, Florida for the **BLP 2014 'bootcamp'**!

Here a **few housekeeping items**:

There is **NO shuttle** available to take you from the airport to The Lodge. You will have to grab a cab. There are several of you that will arrive at the same time (see color-coded **arrival/departure schedule** attached). Take advantage of those common arrival times and share a taxi to the hotel if you can. **Contact information** for 'bootcamp' attendees is also attached (with email addresses) so that you can get in touch with someone in advance of your travel.

On **Sunday** afternoon (the 15th), I will be manning a **registration table** in the lobby of The Lodge from 3 until 5. I will have a welcome package for you along with your name tag. Please drop by and say hi! **Cocktail reception starts in the lobby at 5:00 p m. Our programs begins at 6:00 p m.**

Our days start early. On **Monday and Tuesday morning**, you will need to be in front of lobby at The Lodge by **7:35** at the latest. The bus will leave for UF campus at 7:45 a.m.

Breakfast is included FREE with your accommodations at The Lodge. Please make sure to break your fast each morning before you board the bus. (We will have coffee, tea, refreshments and mid morning snacks available on site.)

Complimentary cocktails are provided free for The Lodge patrons from 5 until 7 every day.

Several **other relevant documents have been uploaded onto the Bonus Eventus BLP wiki**. You can access those documents here: <http://community.bonuseventus.org/group/biotechnology-bootcamp>.

My cell number is **403.809.2831**. Text or call if you have questions or need anything.

See you in sunny Florida!

cami
