

Slotting 3D Crocodile

Have some fun decorating and creating your own 3D crocodile! Get a grown up to help you cut out your crocodile pieces.

- 1 Colour in and decorate the crocodile.
- 2 Get a grown-up to help you cut out each crocodile piece* by following the dotted lines. Glue them onto some cardboard.
- 3 Then cut out each cardboard piece.
- 4 Put the legs in the bottom slots. Have fun playing with your crocodile! What will their name be? What will they get up to? Watch out for those teeth!

*Depending on the thickness of your cardboard, you may want to make the slots wider/narrower.
