

Slotting 3D Lion

Have some fun decorating and creating your own 3D Lion! Get a grown up to help you cut out your lion pieces.

- 1 Colour in and decorate the lion.
- 2 Get a grown-up to help you cut out each lion piece* by following the dotted lines. Glue them onto some cardboard.
- 3 Then cut out each cardboard piece.
- 4 Put the mane in the top slot and the legs in the bottom slots. Have fun playing with your lion! What will their name be? What will they get up to? Roar!

*Depending on the thickness of your cardboard, you may want to make the slots wider/narrower.
