

Matching Meerkats

Contents:

24 meerkat cards

Setting up

- Spread the cards face down on the table.

Object

To collect the most meerkat pairs by the end of the game.

To play

- Take it in turns to try and find a meerkat pair by turning over two cards, leaving them face up on the table.
- If the cards are identical, place the matching pair in front of you.
- If the cards do not match, turn them back over.
- Your turn continues until you are unable to find a matching pair. Play then passes to the next player.
- The game ends when there are no cards left to pick up.

The winner

The winner is the player with the most meerkat pairs at the end of the game.

Single player activity

For single players place the cards, face up or face down, on the table and find the matching pairs of meerkats.
