Can you spot...the blend?

We’ve picked some words for you to try and sound out. Can you spot the phonemes and digraphs?

Tip: A sound made from one letter is called a Phoneme. A sound made from two letters is called a Digraph.

You will need:
- Your thinking cap!
- Felt tipped pens or pencils

Use a pen or pencil to draw a dot beneath the phonemes and a line beneath the digraphs. Why not ask your teacher at school or parent to check them with you afterwards?

1. fork

Don’t forget to sound out the words first!

2. jelly

3. raccoon
