

Knickerbocker Glory

Contents:

4 playing boards, 1 spinner board, 1 two-part spinner (separate plastic arrow from base and attach to spinner board), 24 fruit cards.

Object

To make a knickerbocker glory by placing the fruit cards in the correct order on your playing board.

Setting up

- Push the fruit cards out of the knickerbocker glory playing boards and spread them face upwards on the table.
- Each player takes a knickerbocker glory playing board.
- Attach the two-part spinner to the spinner board.
- Players agree to play by colour or number.

How to play

- The youngest player starts by spinning the spinner
- They then select a fruit card from the table that has the same colour, or number of fruit pieces, as indicated on the spinner.
- They then place the fruit card in the correct position on their playing board.
- Play passes to the next player.
- If a player spins a colour or number of fruit pieces already collected on their knickerbocker glory board, play passes to the next player.

The winner

The winner is the first player to fill their knickerbocker glory playing board with fruit.

N.B. For a longer game, players build their knickerbocker glory from the base upwards by collecting the fruit cards in order.
