

# My Home

Fill in the blanks to make a record of the place you live and the people you live with.

Draw and label a picture of yourself and the people (and pets!) living with you

Draw a picture of your home

Who in your house makes you laugh most, and how?

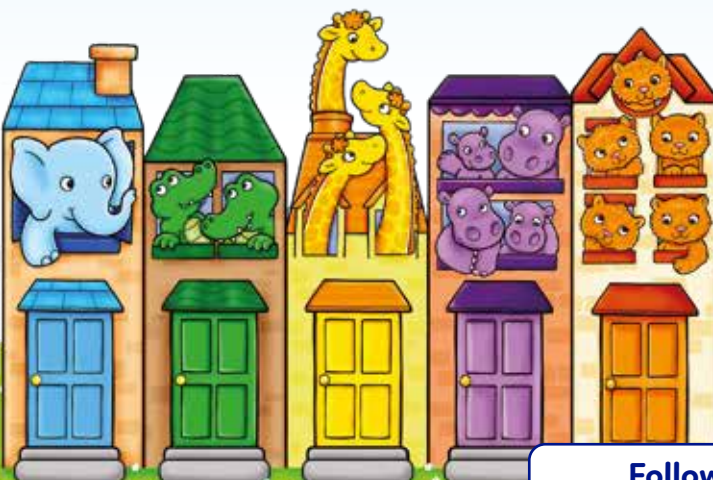

What do you do to help keep your home clean and tidy?

Who makes the nicest food, and what is it?

What do you disagree about?

How do you all have fun?

These people are special to me but don't live with me
