

# Pirate Shapes

## **Contents:**

4 Pirate Boards each with 6 push out shapes

## **Setting up**

- The shapes are removed from the pirate boards and placed, face down, in the middle of the table.
- Each player chooses a pirate board

## **Object**

To be the first player to find the matching coloured shapes to complete the picture on their pirate board.

## **To play**

- The youngest player starts by turning over a shape card.
- If the shape and colour fits into the picture on their pirate board it is placed in position.
- If the coloured shape does not match, the piece is returned, face down, to the table.
- Play then passes to the next player.
- Play continues until one player has completed their pirate board with all the correctly matching coloured shapes in place.

## **The winner**

The winner is the first player to complete the picture on their pirate board by finding and inserting all of the matching shapes.
