

T-Rex Door Hanger

Make your own Dino-Snore-Us door hanger!

1 Download pages 1 and 2 of the T-Rex Door Hanger.

2 Colour both pages with felt tip pens, coloured pencils, paint, glitter, coloured paper, or even old scraps of material...it's up to you!

3 Glue one T-Rex to some thin card and carefully cut out with scissors. Cut out the other T-Rex and glue to the other side of the card to make your two-sided door hanger. You may need an adult to help with this!

Hang your new door hanger on your bedroom door and, depending on whether you are awake or asleep, **turn the T-Rex!**

Roar!
I'm busy,
please
keep out!
