

Welly Peg Monsters

Keep your wellies together with these monster pegs! Let your imagination go wild as you create cute and crazy characters to peg your wellies together.

You will need:

- Wooden clothes pegs
- Paint or glitter paint
- Coloured card
- A glass (to draw around)
- Paintbrush
- Coloured pipe cleaners
- Pencil
- Glue
- Scissors
- Googly eyes

Cut out two discs of card and add glue to one side of each. Then sandwich the top of a wooden clothes peg between the discs and stick firmly. Decorate with googly eyes, pom poms, pipe cleaners, glitter glue, feathers, paint or sequins to make your monster character.

Try giving your monsters their own personalities. You could make a grumpy monster, a cheeky monster or a scary monster. How many different ones can you think of?
