

STATEMENT

I, Angela Maria Chiappini, also known as Ma Prem Kovida, hereby declare as follows:

I am the same Angela Maria Chiappini who on 9 November 2011 signed the witness statement which was submitted on 11 January 2012 by Osho Lotus Commune e.V. as Exhibit 54n of the OHIM Invalidation Proceedings No. CTM 1 224 831 "OSHO".

I am herewith revoking my abovementioned statement. I signed the document without knowledge of the full facts surrounding the OSHO trade mark. I did not inform myself properly. I am well aware that Osho International Foundation has the task of administering the works and methods of Osho, including copyrights and trademarks. I am aware that "OSHO" is a recognized and validly registered trade mark of Osho International Foundation.

I would not have provided such a document if I had understood the heavy consequences that have since come to light. It is my wish to unburden my heart and extend my sincere apologies for this unawareness of mine to Osho International Foundation.

Angela Maria Chiappini
