Visuals

Logo to be used on all artwork / promotion and during performance on projections and LED screens.

Recording / Streaming

All recordings need to be approved by management before use.

TRANSPORTATION *(The promoter hereby confirms and guarantees the following conditions for the transport of the artist):*

- Promoter is responsible for the safe transfer of the Artist, Artist's crew and Artist's equipment, to and from the hotel, the venue and the airport and throughout their stay.
- Promoter shall provide and pay for a top of the range luxury vehicle (Mercedes Benz, Audi, Range Rover)
- The driver needs to be a professional driver who speaks fluent English and is traveling alone with no other passengers in the car (with the exception of the promoter).
- The driver is to be fully licensed and must be fit, sober, must drive safe, relaxed, carefully and has to take care of traffic rules (no speeding etc.).
- On collecting the artist from international travel such as airports please ensure the driver is at the designated meeting point and holds a visible name board with the artist's full name and not performance name, written clearly.
- The driver needs to have slept at least 6 hours.
- Under no circumstances is the driver allowed to use his/her phone unless in hands free mode and no texting whilst driving.
- The car needs to be clean inside and outside.
- The promoter confirms that a professional car rental company has checked the car.
- Bottles of mineral (still) water should be available in the car
- Driver details, for all journeys (including company, driver name, phone number and model of car) needs to be confirmed and added to the artist itineraries.
- The transport can not be shared with other artists. Exceptions only on request and approval in advance.
- Promoter will also provide ground transport for production crew & TM.
