

Eliza Rose

A resident on London's Rinse FM, Eliza Rose's 10 year education working in her local record store Flashback, makes her more qualified than most to step in the booth.

Taking soulful inspiration from her music influences, Eliza Rose channels, Billie Holiday, Al Green and The Supremes into her sets with dusty house grooves, hypnotic funk and smile inducing disco.

Her give it a go attitude shines in her energetic sets, always evolving and open to new adventures. Eliza will be broadening her musical palette this year and working on some vocal collaborations and writing & producing her own original material.

She's also part of the fast rising Rhythm Sister collective Eliza Rose is one to watch.

The Unity Agency is excited to represent this young and vibrant new talent.
