

LE VISITEUR

Production-wise Le Visiteur makes timeless house and disco from choice edits to funk-fuelled originals composed with the sole aim of moving the dance-floor. He has formed a strong alliance with several like-minded labels and his releases regularly chart within the House & Disco top 5's download sites including Traxsource, Juno & Beatport where he has had nearly 1000 days in the charts.

As a producer he has also enjoyed A-list DJ support from the likes of The Black Madonna and huge radio support across the globe on Craig Charles BBC6 Music show, Ministry of Sound radio, Triple J and Kiss FM. He has also amassed millions of streams on Soundcloud and Spotify.

A record collector and lifelong DJ, Le Visiteur has amassed a serious music collection ranging from the cherished to the cutting edge and has played everywhere from roadblock residencies to the world's best clubs, festivals, radio slots and crazy after-hours parties all over the globe from Ibiza to Dubai.

A self-professed student of the DJ mix, Le Visiteur provides a monthly show for British Airways' in-flight entertainment channel. Mixing together the cream of house and disco, his show airs alongside a handful of A-list DJ's including Deadmau5, Sasha and Mark Knight. As such his mixes are available to over a million travellers every month.

Along the way he has shared the decks with some of his musical influences and idols including Kenny Dope, Roger Sanchez, Lindstrom, Greg Wilson, Horse Meat Disco and many more. A Le Visiteur DJ set crams in disco old and new, classic house & techno jams, 80's electronica and the finest upfront tracks of today as he seeks to create an electric atmosphere each time he hits the decks.

With a long list of singles already hitting the heights of the charts and a string of seriously hot tracks due for release, expect Le Visiteur to be a regular name in the club scene for years to come.
