Brahms - Cello Sonata No. 2 in F Major, Op. 99

With the return to concert-life from the Coronavirus hiatus, the great masterpieces of classical music are needed more than ever before. The chance to hear a complete cycle of Bach or Beethoven can no doubt give a listener one of the most profoundly moving experiences imaginable. These timeless and eternally beloved works represent a pinnacle of art and humanity, and I am committed to sharing them with great generosity, diligence, and sincerity.
