### Frankie Archer - Tech Spec

Frankie will be travelling with her own sound engineer  
Elle - [soundbyelle@gmail.com](mailto:soundbyelle@gmail.com) - 07872312238 -  
please contact if you have tech questions

Frankie's sound engineer Elle will use the venue's  
desk but will have as a backup Behringer XR18 to to  
plug into the L and R of the PA

Frankie will bring:

- Fiddle with pickup and pedalboard
- AKAI MPD226 MIDI controller, Behringer CRAVE synth, run through 1010 sampler (stereo out at +/-5v)
- sampler, table, vocal mic

Elle (sound engineer) will bring:

- DIs, loom
- Behringer XR18
- audience mic

Frankie will require:

- **tall mic stand for fiddle**
- **short mic stand for audience mic**

**Frankie will set up in the middle of the stage, will need minimum 2m x 2m x 2m, and will move around the stage**

channel	Name	required
1	Fiddle pickup	tall mic stand
2	Vocals
