Five leading lights of the British roots scene join forces to create a festive folk band like no other. Expect soaring harmonies and exquisite musicianship as the 5-piece blast through a repertoire of brand new, specially written songs, fresh arrangements of traditional carols both well-loved and little-known, and seasonal classics from both sides of the Atlantic.

Originally formed in 2015 for a one-off yuletide concert, A Winter Union have gone from strength to strength in the following 5 tours and now are fast becoming thought of as *the* pre-Christmas knees-up for folk & roots lovers all over the country. The band, that features members of **The Willows**, **Gilmore & Roberts** and **Hannah Sanders & Ben Savage** have gone on to play the likes of the **Great British Folk Festival**, **Cecil Sharp House** were invited for a live session on **BBC Radio 3's** inTune.

The band release their 3rd full length album in December 2022.

Put on your glad rags and come and raise your voices with A Winter Union!

"A Winter Union, a folk supergroup of sorts, featuring two established duos, Katriona Gilmore & Jamie Roberts, Hannah Sanders & Ben Savage, along with the superb singer Jade Rhiannon from The Willows, did this to the nth degree by reworking several seasonal songs during their impressive Saturday afternoon set."
