GRENN BARTLEY

Gren Bartley is a UK singer-songwriter and guitarist working somewhere between cinematic folk, intimate acoustic songwriting and finely detailed guitar work. Across a run of acclaimed releases, he has built a reputation for records that are atmospheric, melodic and unmistakably his own.

His 2015 album *Magnificent Creatures*, produced by Gavin Monaghan, received outstanding reviews and helped take his music to festivals and venues across the UK and Europe. In 2019 he released *Quiet*, a more stripped-back collection drawing on folk, world music and bottle-neck slide guitar, which earned further critical praise.

His new album *Sunsets, Circles and Waves* was released in May 2026. Recorded live in complete takes with no overdubs, it captures the warmth and intimacy of a real performance while deepening the reflective, immersive quality that runs through his work.

Gren Bartley writes songs with the instinct of a folk artist and the detail of a craftsman. Drawing on older traditions without sounding trapped by them, he has developed a style that feels warm, immersive and entirely his own.
